

## About BankT&D Training

BankT&D Consulting is a firm that is founded, staffed and run by senior, international, banking professionals. With offices in the UK and UAE (Dubai), we have since 2003, run successful training programs and consulting assignments for our clients globally, helping banks become more profitable and efficient in 27 countries. Our client list is in excess of 50 banks and financial institutions.

BankT&D Training is the training brand of BankT&D Consulting. We design and deliver training programs that address current strategic priorities of banks and offer training primarily in Risk Management and across banking specific functionalities and products. Our training develops the required skills and banking acumen, so as to be relevant at a conceptual and at a practical level.

Our training is delivered via open enrolment programs, as well as via customised, in-house programs.

## Key Differentiators

- Our instructors are senior, international bankers with over 200 years of experience in banking, consulting and training.
- Our programs are tailored to reflect unique regional market realities and we select instructors with matched regional knowledge and experience.
- We place a strong emphasis on applied training that is practical and which uses a 'lessons learnt' approach to topical Risk Management and banking issues.
- Our programs deliver interactive learning through lectures, case studies, simulations, role plays, and group exercises.
